**Re: Sensatex Patents**

Dear Bob:

This will confirm our telephone conference yesterday afternoon in which you expressed willingness to send me a writing that narrows down the patents to be discussed by Textronics and Sensatex. We understand that your designation of Sensatex patents is based on your knowledge of Textronics' products.

We appreciate your cooperation in focusing the parties' inquiry, and we also welcome the opportunity you described to discuss Sensatex's designated patents with Georgia Tech's patent counsel after we have completed our review.

We look forward to receiving your narrowed list.

Very truly yours,

Stephen L. Sulzer
